\$8 per bracelet
Bring money to meetings

Veterinarians and Food Safety

by : Emily Hogg

GVSU Pre-Vet Club Secretary

At this week's meeting, Charles Zickus, a senior pet sales representative from Boehringer Ingelheim, and Dr. Douglas Clarke, veterinarian at Pet Veterinary Clinic in Grandville, talked to us about what they do and the paths they took to get to where they are now. If you weren't able to make it to the meeting, notes on the presentation will be sent out. I recommend you all take a look, because there is some interesting information on some of the drugs that Boehringer Ingelheim is currently selling to veterinarians!

Next Meeting: October 14th KHS Room 1113

Campus Causes

Fundraiser

Campus Causes is a fun and easy way to help the club earn money. All you have to do is shop at your favorite online stores and ask your family and friends to do so as well! Every purchase earns cash back for the club!

Please Visit:

<https://www.campuscauses.com/teams/80424-gvsu-pre-vet-club>

We also receive direct donations through the link above. The more money we raise, the more fun things we get to do as a club!

West Michigan Regional APVMA Symposium

The annual West Michigan Regional APVMA Symposium will be held at Hope College on Saturday, November 16th 2019 from 8:30am-3:30pm. Registration opened on October 1st and tickets are \$60. This is a wonderful opportunity to explore the Veterinary Medicine field through lectures and hands-on labs, as well as connect with professionals and other students in the midwest!

2020 APVMA National Symposium

Hosted by Virginia-Maryland

The 2020 APVMA National Symposium will be hosted by Virginia-Maryland College of Veterinary Medicine on February 28th and 29th 2020. This trip allows you to attend lectures, participate in wet labs, and meet other Pre-Vet students from around the country, and from other countries as well! Because of the large expense of this trip, the club will need to work together to raise funds to help cover the costs.

A registration date will be posted soon, and reminders will be given as the date approaches.

Overall, this event is a great learning experience and a lot of fun! We highly recommend you consider going!
