What is the Vet Life?

by : Emily Hogg

GVSU Pre-Vet Club Secretary

At tonight's meeting, we talked about what the Vet life is all about! This included information on what a four year veterinary school schedule would typically entail, as well as information on some of the different fields that you can go into after earning a DVM. If you weren't able to make it to the meeting, a copy of the presentation will be sent out through email. I encourage you all to take a look, as it could be helpful in deciding what path you'd like to take after graduating from veterinary school!

Pre-Vet Club Committees

If you're looking for a way to be more involved in the club, consider joining one, or both, of our committees! This is a great opportunity to experience some of the responsibilities of an executive board position.

Fundraising Committee

Committee Chair: Ariana Watson

As a member of this committee, you will be assisting in coming up with new ways to raise money for the club.

Event Committee

Committee Chair: Aliyah Henderson

As a member of this committee, you will be assisting in setting up the club's weekend volunteer trips.

Campus Causes

Fundraiser

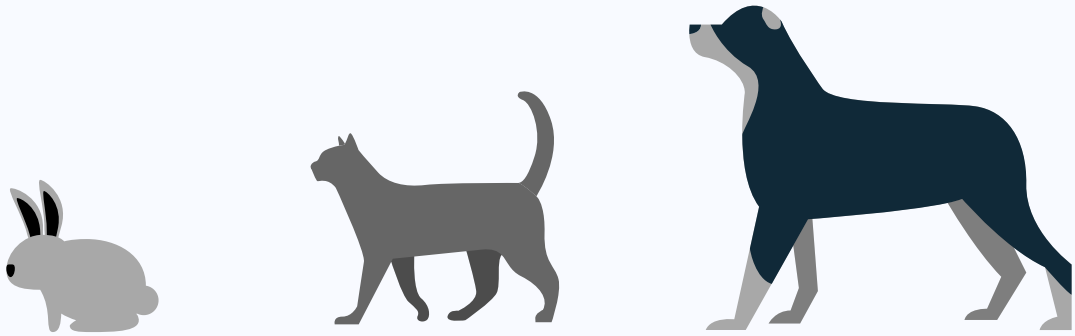

Campus Causes is a fun and easy way to help the club earn money. All you have to do is shop at your favorite online stores and ask your family and friends to do so as well! Every purchase earns cash back for the club!

Please Visit:

<https://www.campuscauses.com/teams/80424-gvsu-pre-vet-club>

We also receive direct donations through the link above. The more money we raise, the more fun things we get to do as a club!

West Michigan Regional APVMA Symposium

The annual West Michigan Regional APVMA Symposium will be held at Hope College on Saturday, November 16th 2019 from 8:30am-3:30pm. Registration opens on October 1st and will be \$60. This is a wonderful opportunity to explore the Veterinary Medicine field through lectures and hands-on labs, as well as connect with professionals and other students in the midwest!

2020 APVMA National Symposium

Hosted by Virginia-Maryland

The 2020 APVMA National Symposium will be hosted by Virginia-Maryland College of Veterinary Medicine on February 28th and 29th 2020. This trip allows you to attend lectures, participate in wet labs, and meet other Pre-Vet students from around the country, and from other countries as well! Because of the large expense of this trip, the club will need to work together to raise funds to help cover the costs.

A registration date will be posted soon, and reminders will be given as the date approaches.

Overall, this event is a great learning experience and a lot of fun! We highly recommend you consider going!
